

GREAT BIDS DESERVE GREAT DESIGN.

Professional bid design, tender presentations and supporting documents for construction companies.

From complete tender document design to case studies, graphics and capability statements, we make sure your submission looks as professional as the work you deliver.

ONE BID OR
ONGOING DESIGN SUPPORT.
NO LONG-TERM COMMITMENT.

BID DESIGN THAT WORKS

MAKE YOUR BID EASY TO READ. EASY TO EVALUATE.

A construction tender can contain hundreds of pages of technical information, methodologies, project experience and supporting evidence. Poor formatting, inconsistent layouts and complicated graphics can make even a strong submission difficult to follow.

Our design team turns your written content into professional, organised documents that help evaluators find the information they're looking for.

OUR BID DESIGN SERVICES INCLUDE:

- **Tender Document Design:** Professional layouts, formatting and branding for construction bid submissions.
- **Methodology Graphics:** Visual explanations of construction processes, delivery plans, mobilisation and project management.
- **Organisation Charts:** Clear team structures, reporting lines and project responsibilities.
- **Project Case Studies:** Professionally designed examples of completed construction projects, including photographs, outcomes and relevant experience.
- **Tender Presentations:** PowerPoint presentations for tender interviews, clarification meetings and final-stage evaluations.
- **Framework Documentation:** Consistent templates and supporting documents for framework applications and supplier submissions.

We work with your existing branding and content, or alongside our bid writing team to produce a complete tender submission.

"I would like to take this opportunity to personally thank you and your team for supporting us with our recent tender presentation. This was our first opportunity to collaborate and I was impressed with your strategic approach and ability to work to exacting timescales, particularly during the final stages when you were assigned with several last-minute change requests.

MORE THAN BID DOCUMENTS

PROFESSIONAL MATERIALS FOR YOUR CONSTRUCTION BUSINESS.

Your tender submission isn't always the first thing a buyer sees. They may also review your website, company profile, previous projects and supporting materials. We help construction companies prepare the documents they need to demonstrate their capabilities.

COMPANY CAPABILITY STATEMENTS

Clear, professionally designed documents explaining your services, experience, accreditations and project history.

CONSTRUCTION COMPANY BROCHURES

Digital and print-ready brochures for introducing your business to clients, main contractors and procurement teams.

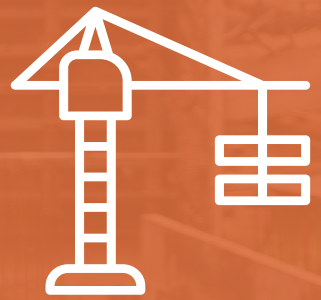

PROJECT PORTFOLIOS

Showcase completed projects through photographs, contract details, technical information and results.

BRANDED DOCUMENT TEMPLATES

Consistent designs for quotations, proposals, reports, presentations and other business documents.

You can commission individual design projects without purchasing a full marketing package.

"From our first contact, Hudson were brilliant. After a short conversation, they quickly grasped the basics of our business and sector in which we operate. The team took the stress and hassle away from us and we are very happy to say that we were awarded the first contract that we collaborated on. We would highly recommend Hudson and look forward to future endeavours together.

LET'S GET YOUR DOCUMENTS READY

GOT A BID THAT NEEDS DESIGNING?

Already written your tender but need help presenting it professionally?

Perhaps you need a set of project case studies, a company capability statement or a presentation for a tender interview.

Whatever the requirement, our design team can work with your existing documents or support our bid writers in preparing your submission.

HOW IT WORKS

1 **SEND US YOUR REQUIREMENTS**
Share your existing documents, tender specifications or examples of what you need.

2 **RECEIVE A QUOTE**
We'll review the scope and provide a clear quote for the design work.

3 **WE DESIGN YOUR DOCUMENTS**
Our team prepares your materials using your branding, project information and content.

4 **REVIEW AND APPROVE**
You'll have the opportunity to review the designs and request agreed amendments before receiving your final files.

NEED BID WRITING TOO?

Forge also provides professional construction bid writing and tender management. We can handle both the written responses and document design, giving you one team to manage the submission.
